

The background of the entire page is a photograph of a basketball team huddle. Several players in maroon jerseys with "VASSAR BASKETBALL" and their numbers (like 30 and 20) are visible. They are surrounded by coaches in grey tracksuits. The scene is set in a gymnasium with spectators in the background.

COACH MEE LLC -

Ryan Mee has worked basketball camps for the past 20 years. The past 10 years he has been directing clinics and camps for all ages. The joy that comes from watching a player learn a skill and apply it to game play is "why we coach." Through CoachMee LLC we will focus on fundamentals and then applying them on the court that same day.

Coach Mee completed his seventh season as Head Men's basketball coach at Vassar College. He came to Vassar for his first head coaching position in the summer of 2018, after serving as an assistant coach at five prior destinations (Davidson College, University of Rochester, Skidmore College, Elmira College, and Hilbert College).

The 2021-22 Season was a historic one for the Vassar Men's Basketball Program when the Brewers won the Liberty League Championship, earning their first NCAA Tournament appearance in program history. The Brewers also posted their most wins since the 2013-14 season, going 18-9.

As an undergraduate, Mee was four-year varsity letter winner at Rochester, serving as team captain in 2004-05. He helped the Yellowjackets to four NCAA Tournament appearances as his squads went a combined 97-17 over his four seasons as part of the winningest class in the program's history.

Mee and his wife Haniya, have two children, Trotter and Capucine.
